EXPERIENCE

2015 - 2019

WEB DESIGNER - Personiv Manila

Designing, coding and modifying websites from layout to function and according to a client's specifications using HTML, CSS, JavaScript and CMS e.g Dudaone, Camilyo, Wordpress.

Creating assets for marketing team that are responsive - ie. mobile, tablet, and desktop friendly, and provide a user experience with cross-browser compatibility.

Performed routine updates, upgrades and overall maintenance of the client's website.

Proactively scope and present new ideas to improve the digital experience for prospects, leads, and customers.

2019 March - 2020 May

WEB DEVELOPER - DirectWithHotels Ltd.

Working closely with the Creative team to design websites, landing pages, email newsletters, banner ads, infographics and convert designs to live sites using Wordpress or Dudaone CMS platform.

Performs website maintenance and ensures that the hotel website stay up to date.

Collaborates with Gross Profit Local Coaches on the upcoming events and promos of the properties they are handling.
